## **ETA KAPPA NU – PSI CHAPTER**

Electrical and Computer Engineering Honor Society - University of Texas at Austin

June 1<sup>st</sup>, 2018

Dear Corporate Partner,

My name is Amogh Agnihotri, and, as the Corresponding Secretary for the Psi Chapter of Eta Kappa Nu (HKN) at The University of Texas at Austin, I would like to invite you to become involved with our chapter during the Fall 2018 semester.

Eta Kappa Nu is a unique organization, dedicated to encouraging and recognizing excellence in the Electrical and Computer Engineering fields. Members consist of students, alumni, and other professionals who have demonstrated exceptional academic and professional accomplishments. Student members are selected on the basis of scholastic standing, character, and leadership. Through a variety of service programs and leadership training, student members develop lifelong skills that earmark them for prominent positions in industry and academia. Members are better prepared for the post-college world and are valuable and attractive to employers. They are recognized as extremely capable, both technically and professionally.

Your involvement with HKN offers you a wide range of opportunities to reach out to our selective community of Electrical and Computer Engineers. We host many events for our active members and pledges to mingle with your corporate representatives. We currently have over 75 registered members and pledges.

In this packet, you will find information about corporate partnership levels and a detailed description of our events in the Fall 2018 semester.

Your generous contribution to our chapter will greatly benefit both HKN and your corporation through increased visibility to the Cockrell School of Engineering's best and brightest Electrical and Computer Engineering students. Your involvement would also give you access to several other benefits, outlined in the following pages.

Thank you for your support. I look forward to working with you to develop an appropriate corporate partnership plan. Please contact me if you have any questions, comments, or suggestions.

Sincerely,

Amogh Agnihotri

Fall 2018 Corresponding Secretary

# Corporate Partnership Events

## Meetings

Meetings are how HKN members stay up to date with the organization. Due to the required attendance of our meetings, corporate partners typically will be able to connect with about 30-60 members. Usually corporate partners present networking events or tech talks at our meetings. After the officers conduct organization business, partners will have an opportunity to give a 20-30 minute presentation, answer student questions, and meet with students individually during and after dinner. Note only one company is present at each meeting, so reserving a meeting as early as possible is suggested.

	Date*	Price
<b>Actives Meeting</b> <i>Earliest meeting of the semester before UT Expo, with only actives present.</i>	September 4, 2018	\$1,250
<b>General Meeting 1</b> <i>Biggest meeting of the semester, closely following UT Expo.</i>	September 18, 2018	\$1,250

### **Weekly Newsletters**

HKN sends out weekly newsletters to inform our actives and pledges of upcoming events. Your company's name and partnership status will be displayed at the end of each newsletter.

### **HKN Website**

Corporate partners will receive recognition on the HKN website. Partners will be able to include a short company description (250 words) on the website.

### **HKN Semester T-shirt**

All corporate partners will receive prominent recognition on our commemorative semester T-shirts. We distribute these shirts to all of our registered members. Our members often wear them for several years afterwards.
